WBIF BILATERAL DONORS

Flagship Investments Overview

Key results

21 investments co-financed by WBIF Bilateral Donors

14 Environment & climate projects

3 Clean energy projects

4 Human capital projects

€559m estimated investments

€69m* investment grants

*The remainder of the Bilateral Donor contributions has been allocated to technical assistance for project preparation.

The WBIF Bilateral Donors contribute directly to the Western Balkans Investment Framework Joint Fund in support of a sustainable and green transition in the Western Balkans. The Bilateral Donors are actively involved in the WBIF governance and operations to ensure concerted and coordinated efforts. They continue to support small scale yet high impact projects.

Frode Overland Andersen

Director-General
Norwegian Ministry of Foreign Affairs

WBIF Bilateral Donor Community representative

“As Bilateral Donors to the WBIF, we will continue to support the beneficiaries. Addressing social needs and improving the quality of public services – especially at the local level – is an important priority. We will also continue to support the green and digital transition. The WBIF has the structure, governance and means to implement this agenda.”
